Overview

St. Kitts & Nevis runs the world’s longest-standing Citizenship by Investment (CBI) programme. Applicants can qualify through the Sustainable Island State Contribution (USD 250,000 for a main applicant or a family of up to four), approved real estate (USD 325,000 for a developer project or private condominium, USD 600,000 for a single-family home, held for seven years) or the Public Benefit Option (USD 250,000, with the USD 25,000 application fee deducted). The Citizenship by Investment Unit's 2024 brochure states 120 to 180 days from acknowledgment to approval in principle. Every main applicant attends an interview, and citizens by investment must enrol in the National Biometric Enrolment and Passport Modernisation Programme by 31 July 2027.

What the table shows

Grenada is the only one of the five that is simultaneously a US E-2 treaty country, free of any US entry restriction, and still visa-free to the UK. If the United States is your objective, that is the deciding factor. Whether an individual qualifies for an E-2 visa is decided by US consular officers.

Dominica and Saint Lucia have both lost UK visa-free access — Dominica in July 2023, Saint Lucia in March 2026, both expressly because of their citizenship programmes.

Antigua and Dominica are both under US Presidential Proclamation 10998 since 1 January 2026, which suspends immigrant entry and the B, F, M and J categories.

No Caribbean citizenship-by-investment passport gives visa-free entry to the United States.

Passport-power rankings

Headline counts of visa-free destinations are compiled annually and change quickly, as the UK changes above show. XIPHIAS advises on the specific destinations that matter to your family, checked at the time you apply.

What this does to an Indian passport

India does not allow dual citizenship. Section 9(1) of the Citizenship Act 1955 provides that a citizen of India who voluntarily acquires the citizenship of another country **ceases to be a citizen of India**. Acquiring any Caribbean citizenship is voluntary, so your Indian citizenship ends **automatically on the day it is granted** — no Indian decision, no discretion, no deferral. The Indian passport must be surrendered and a Surrender Certificate obtained.

You can then apply for **Overseas Citizen of India** status. The Ministry of External Affairs states plainly that OCI is not dual citizenship: no vote, no constitutional posts, no equality in public employment, and **no acquisition of agricultural land, farmhouses or plantation property in India**.

This is a **replacement** for your Indian citizenship, not an addition. Plan around that.

St Kitts & Nevis Citizenship by Investment

A dual-island nation, located in the Atlantic Ocean and the Caribbean Sea, Saint Kitts and Nevis is known for its cloud shrouded mountains and beaches. The active Volcano Mount Liamuiga is part of St. Kitts. It’s a favorite tourist destination for many across the world especially those who love adventure.

Can I include family members?

Yes. You can include a spouse, children under 18, unmarried children aged 18 to 29 who are substantially supported, and parents aged 55 and over. Siblings are not eligible. Fees vary by age and family size.

Do I need to reside in St. Kitts & Nevis?

No. There is no requirement to reside in St Kitts & Nevis to maintain citizenship. Citizens by investment must, however, enrol in the National Biometric Enrolment and Passport Modernisation Programme by 31 July 2027.

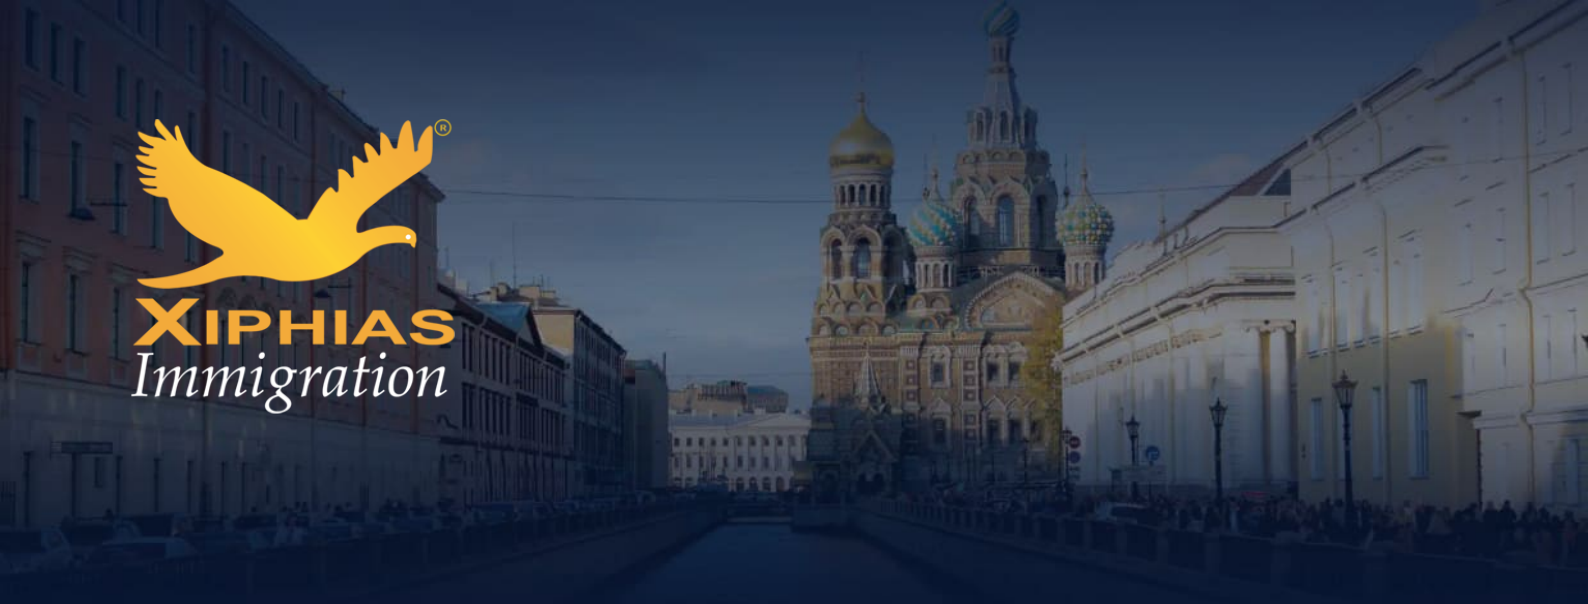

What are the investment pathways?

Sustainable Island State Contribution (USD 250,000), Public Benefit Option (USD 250,000) or approved real estate (from USD 325,000).
