COUNTRY **St. Kitts & Nevis**	ROUTE **Citizenship by Investment - Donation**
MINIMUM INVESTMENT **USD 250,000**	TIMELINE **120–180 days to approval in principle (CIU)**
FAMILY MEMBERS **Spouse, children up to age 29, parents aged 55+**	LAST UPDATED **1 October 2026**

Overview

The **Sustainable Island State Contribution** is St Kitts & Nevis's main donation route, at **USD 250,000** for a main applicant or a family of up to four, plus **USD 25,000** for each additional dependant under 18 and **USD 50,000** for each additional dependant aged 18 or over. St Kitts moved to this level in **July 2023**, a year before the wider Eastern Caribbean minimum took effect.

Government fees and timing

From the Citizenship by Investment Unit and the Statutory Rules and Orders in force:

- Application fee (SRO No. 1 of 2026): **USD 25,000** for a main applicant, a main applicant with a spouse and up to two dependants, or a main applicant with up to three dependants; **USD 25,000** for each additional dependant under 18 and **USD 50,000** for each additional dependant aged 18 or over.
- **USD 30,000** to add a spouse or qualifying dependant after approval in principle, and **USD 7,500** for each child under three born after the certificate of registration.
- Due diligence: **USD 10,000** main applicant, **USD 7,500** each dependant aged 16 and over.
- Application processing: **USD 250** per application.

The Unit's 2024 brochure states that it advises approval, denial or delay within **120 to 180 days** of acknowledging an application.

Travel access today

Here is where **St Kitts & Nevis** stands today:

United Kingdom: visa-free, but you need an ETA. Since 8 January 2025 an electronic travel authorisation is required before travel. “Visa-free” without that qualifier is no longer accurate.

United States: a visa is required, as it is for every Caribbean CBI passport. No programme in this region gives visa-free entry to the United States.

Canada: a visitor visa is required. None of the five Caribbean citizenship-by-investment countries has visa-free

access to Canada.

On Schengen and the EU: access is currently in place, but the EU's revised visa suspension mechanism, adopted on 31 December 2025, makes operating a citizenship-by-investment scheme a self-standing ground for suspending visa-free travel. The European Commission wrote to Antigua & Barbuda in June 2026 seeking a phase-out, and an EU report is due in December 2026. Schengen access should not be treated as permanent.

What this does to an Indian passport

India does not allow dual citizenship. Section 9(1) of the Citizenship Act 1955 provides that a citizen of India who voluntarily acquires the citizenship of another country **ceases to be a citizen of India**. Acquiring any Caribbean citizenship is voluntary, so your Indian citizenship ends **automatically on the day it is granted** — no Indian decision, no discretion, no deferral. The Indian passport must be surrendered and a Surrender Certificate obtained.

You can then apply for **Overseas Citizen of India** status. The Ministry of External Affairs states plainly that OCI is not dual citizenship: no vote, no constitutional posts, no equality in public employment, and **no acquisition of agricultural land, farmhouses or plantation property in India**.

This is a **replacement** for your Indian citizenship, not an addition. Plan around that.

- A mandatory interview applies to every main applicant, introduced by SRO 26 of 2023. Dependants aged 16 and over may be interviewed if deemed necessary.
- New obligation after grant: citizens by investment must enrol in the National Biometric Enrolment and Passport Modernisation Programme, effective 14 April 2026, with a deadline of 31 July 2027. This is a continuing duty, not a one-off at application.
- Indian citizenship ends automatically on acquiring citizenship of St Kitts & Nevis.

Compliance

- Sustainable Island State Contribution: USD 250,000. St Kitts reached this level in July 2023, a year ahead of the regional floor.
- Approved developer real estate: USD 325,000. Private real estate: USD 325,000 for a condominium or USD 600,000 for a single-family house. These were reduced from USD 400,000 and USD 800,000 by SRO 43 of 2024 on 25 October 2024 — the opposite direction to the rest of the region.

- Real estate holding period: seven years, the longest of the five.
- Public Benefit Option: USD 250,000, from which the USD 25,000 application fee is deducted.
- Application fees under SRO 1 of 2026: USD 25,000, plus USD 25,000 per additional dependant under 18, USD 50,000 per additional dependant aged 18 or over, USD 30,000 to add a dependant after approval in principle, and USD 7,500 for a child under three born after the certificate of registration.
- Dependent children are defined as aged 18 to 29, unmarried and substantially supported, with no study requirement — redefined by SRO 1 of 2026 on 16 January 2026. Dependent parents from age 55, reduced from 65 by SRO 43 of 2024.
- Processing: the Unit's 2024 brochure states 120 to 180 days from acknowledgment to a decision.
- No residency or visit requirement after grant.
